Come join the Bentley Generals as they live life with the gloves off.

Blood, Sweat & Beers is a 60 minute documentary that offers a no-holds barred look at the Bentley Generals, a beloved amateur hockey team from small town Alberta, and their passionate quest to bring home their first national championship. Heart-felt, real, and full of grit and emotion, it follows the sacrifices made by players, their families and an entire town in a place where life, hockey and a dream of winning the last game of the year go hand in hand. Sometimes the sacrifices you make off the ice are the hardest ones of all.
