# MEN OF VALOUR

Heroes of the Victoria Cross

The **Victoria Cross** has been awarded only for the most '*conspicuous act of bravery, or some daring or pre-eminent act of valour or self-sacrifice or extreme devotion to duty in the presence of the enemy*', the stories of the actions of the recipients is nothing short of amazing.

The stunning valour that brought these soldiers to honourable mention and nomination for the **Victoria Cross** will command the attention and respect of the viewers as the dramatic stories and re-enactments unfold.

1 in 10. That is the estimated chance a soldier has of actually surviving an act of bravery that would be worthy of consideration for the **Victoria Cross**. The criteria has been met by only 1,354 individuals since 1856. Canada can proudly claim 94 of her citizens as recipients.

*Partners' in Motion* has worked closely with the Department of National Defense, Veterans Affairs, other veteran's groups, military organizations and museums, soliciting their expertise and resources in the grand-scale battle re-enactments.

**Stories of six Canadian Victoria Cross Recipients will be re-enacted**, each story as its own ten-minute segment, including the story of the 1 surviving Canadian recipient. Personal reminiscences, photos, news footage, newspaper clippings etc., and full-scale battle re-enactments will be used to tell these incredible stories of valour.
